

## **RINGWOOD WOODCARVERS CONSTITUTION**

(Supporting the Traditional Craft of Woodcarving)

Ringwood Woodcarvers are a group of like-minded hobbyists who meet as a self-help group to promote the hobby and craft of Woodcarving.

Although none of us are professional carvers, the more experienced carvers are pleased to give guidance when needed.

We are financed by Membership Fees charged for each attendance and by an annual Membership fee.

We meet fortnightly at the St Leonards and St Ives Village Hall.

We don't aim to make a profit but surplus funds are used to purchase tools and equipment that members may borrow or purchase.

The group occasionally organise exhibitions of our members work at local events.

We are a democratic group and are organised by our Founder Mr Michael Tuck.

Decisions are made collectively by the members without the need for a formal committee.

Mr Tuck acts as Chairman, Secretary and Treasurer for the group and is the sole signatory of the Ringwood Woodcarvers bank account, held at the Ringwood High street branch of the HSBC.

Founder Member

Mr Mike Tuck
